Qualico Communities and the community of Ravenswood are proud sponsors of the Airdrie Citizens on Patrol Annual AGM 2011.

At Qualico Communities we believe in fostering a sense of community from the ground up; and certainly safety is a key factor in the creation of a sustainable community.

This is a key partnership for Qualico, as we continue to develop the community of Ravenswood over the next 5 years - the Airdrie COP will not only build awareness about safety in new communities, but actually assist in making those communities more safe and enjoyable.
